Dear Sir:

Please find, enclosed, two (2) copies of the map regarding the line cutting made in Clearwater, B.C.

Also enclosed, find, number of man-days spent on this job, and the invoice for the same.

We have charge you \$10.00 per mile more as the contract was for, that \$10.00 is our profit. If we had look the ground before taking the job, we probably ask for \$150.00 per mile because the hills were terrible.

We hope you will accept this price of \$130.00 per mile.

Yours very truly,

JEAN ALIX CO. LIMITED.
