INTRODUCTION

General Statement

This report presents a topographic map of the Nithi Mountain property which was prepared for AMAX Exploration, Inc. by Pacific Survey Corp. in February, March and April, 1975.

Location and Access

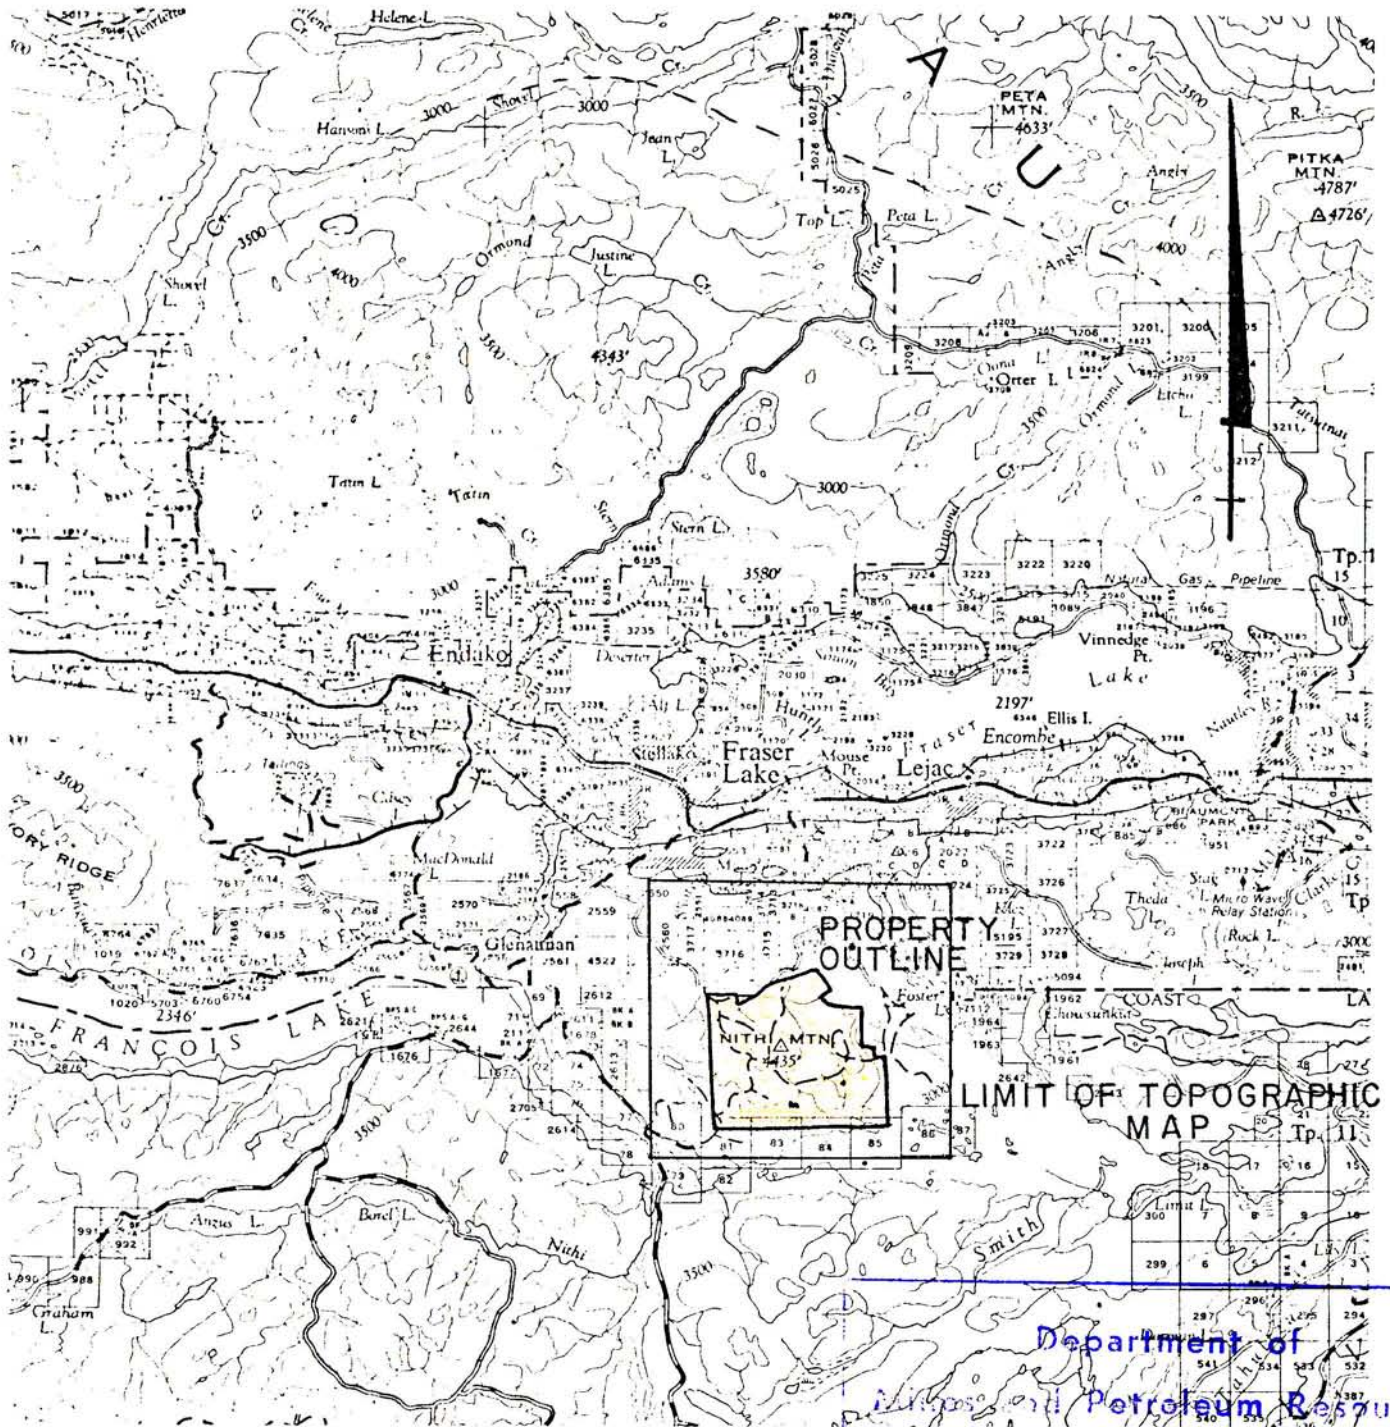

The Nithi Mountain property consists of 157 claims (Table I) in central British Columbia (latitude $53^{\circ}59'N$, longitude $124^{\circ}51'W$), five miles south of Fraser Lake. The property is accessible via the Chowsunkut logging road south of Fraser Lake.

Topographic Map

A topographic map on a scale of $1''=1000'$ with 25 foot contours was prepared by Pacific Survey Corp. from $1''=\frac{1}{2}$ mile B.C. Government photographs. Recent survey lines, roads and trenches were then added to the map from $1''=\frac{1}{4}$ mile B.C. Government photographs which were flown in the fall of 1973. Two copies of the map are included in this report (in pocket).
