AGREEMENT ENTERED INTO THIS 11th DAY OF JUNE, 1975

BETWEEN:

R. H. Standfield,
#2627
125 - 9th Ave. S. E.,
Calgary, Alberta

(hereinafter referred to as "the Company")

AND:

Wescore Drilling Ltd.,
P. O. Box 760,
Invermere, B. C.

(hereinafter referred to as "the Contractor")

WHEREAS the Company wishes to have performed certain surface diamond drilling on mining properties in the Galloway area of British Columbia, AND WHEREAS the Contractor in consideration of payments hereinafter contained, undertakes to do the said diamond drilling.

NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties mutually covenant and agree as follows:

GUARANTEED
FOOTAGE:

1. The Company guarantees a minimum of four Thousand (4,000) feet of surface diamond drilling in a series of holes to a maximum depth of Three Thousand (3,000) feet.
2. The Contractor guarantees to sink with standpipe and/or bore by diamond drill, the specified minimum footage, recovering NQ Wireline core approximately 1 7/8 inches in diameter, and BQ Wireline core approximately 1 7/16 inches, and to supply forthwith One (1) surface drill outfit along with the necessary associated equipment, industrial diamonds and labour, to complete the work specified by the Company at the following rates for drilling bedrock, for holes of a depth of up to Three Thousand (3,000) feet.

DRILLING
RATES:

3. Footage Charges:

BQ

0 - 1000 feet	\$ 9.65 per foot
1000 - 1500 feet	10.65 per foot
1500 - 2000 feet	12.30 per foot
2000 - 2500 feet	13.10 per foot
2500 - 3000 feet	14.60 per foot

Member of the Canadian Diamond Drilling Association

resulting therefrom, and from claims for property damage arising from the operation under this Contract in an amount sufficient to release the Company of any liability in this respect. A certificate of such insurance coverage shall be delivered to the Company prior to commencement of the Contract.

THE CONTRACTOR shall be responsible for the payment of any assessments for Workmen's Compensation, Holiday Pay, Canada Pension, Unemployment Insurance, Sales Taxes, or other applicable charges relative to its own labour and supplies purchased.

POLLUTION:

- 14. During the course of the work, the Contractor shall at all times keep the Company's premises free from accumulation of waste material or rubbish and upon completion of the work, shall remove all tools, scaffolding, surplus materials and rubbish, and leave the premises in a clean condition. The Contractor shall observe and comply with all applicable Federal and Provincial laws, regulations and orders relating to the prevention of forest fires and sanitation in the bush.

MATERIALS:

- 15. Any mud, cement, chemicals and soluble oils will be charged at cost plus 10%.

CAMP:

- 16. Company to supply camp and provide meals and lodging for the Contractor's crew at no charge to the Contractor.

PAYMENT
OF WORK:

- 17. The Company agrees to pay the Contractor, in Canadian funds, the above prices. Invoices will be submitted twice monthly. The Company agrees to pay the above mentioned Invoices within Seven (7) days of the date account rendered. The Contractor will not be liable for minimum footages or any other terms of this agreement until payment is received for any outstanding invoices.
- 18. This agreement may be altered only by written consent of both parties hereto.
- 19. Time is of the essence in this Agreement.
