REGISTERED ASSAYER, PROVINCE OF BRITISH COLUMBIA

June 30, 1977

C E R T I F I C A T E

I, John J. Oberbillig, of 1906-9304 Salish Court, Burnaby, British Columbia do hereby state that:

1. I am a Consulting Geologist
2. I attended Boise State College, Idaho State University and the University of Nevada, completing my education in Earth Sciences in 1961.
3. I am a member of the Association of Registered Professional Geologists.
4. I am a Registered Professional Geologist in the State of Idaho, No. 75.
5. From 1961 to 1973, I was engaged in mining and exploration geology for various companies in the United States, Mexico and Canada. Since that time I have been a consultant for various companies in British Columbia, Yukon Territory and the United States.
6. I personally conducted the diamond drilling program and logged the core on the Gnawed Mtn. Property and the information included in this report is based on that data.
7. I have not directly or indirectly received, nor do I expect to receive any interest, directly or indirectly, in the property described herein, or any affiliate, and I do not beneficially own, directly or indirectly, any securities in any such company.

DATED at Burnaby, British Columbia, this 30th day of June 1977.

John J. Oberbillig, P. Geol.
