INTRODUCTION

The Elkhorn #2 mining claim is part of the Elkhorn group of claims owned by Westroc Industries Limited. The group is located on the south side of the Windermere Creek Valley near Windermere, British Columbia in the Golden Mining Division. The claim is located at the south-east end of the group. Access to the claims is by a 5 km forestry road along Windermere Creek. The forestry road is accessed by a 10 km private haulage road from B.C. Provincial Highway 95/93. Map 1 (Index Map) shows the location of the claim in relation to other features in the area.

The original claims in this group were staked by Western Gypsum Ltd. and have since been transferred to Westroc Industries Ltd. Westroc operates a gypsum quarry in the Windermere Creek Valley and is actively engaged in exploration of other gypsum showings in the area. This group of claims covers one such occurrence.

The work which is being submitted to fulfill the assessment requirements for Elkhorn #2 claim, was performed on Elkhorn #2 claim.

SUMMARY OF WORK DONE

Drilling: Hole size - 50 mm
 Number of holes - 2
 Total metres drilled - 61 M.

ITEMIZED COST STATEMENT

Labour Cost

Period	July 24, 1979 to August 2, 1979
