DEFINITION

The Lone Silver 2 & 3, Record Nos. 1331 & 1332 , are owned by O.G.G. Corporation, 4428 South Kilpatrick Ave., Chicago, Ill. and are under lease to and operated by G. Abbott-Brown, Box 23, Slocan, B.C.

LOCATION AND ACCESS

The Lone Silver group is located approximately 8 miles south of Salmo on highway 6 and 4 miles north on Rosebud Lake Road, a good, all-weather gravel road.

WORK SUMMARY

In September, 1986 the operator of the property, G. Abbott-Brown accompanied by the author of this report, conducted an examination of the LONE SILVER GROUP to determine the location of possible ore zones. Six soil samples and two rock samples were taken, the results of which are included in this report.

The costs of the property examination and assaying are as follows:

Pages	\$300.00
Transportation	80.00
Assaying	<u>53.90</u>
Total	\$433.90

ANALYSIS SUMMARY

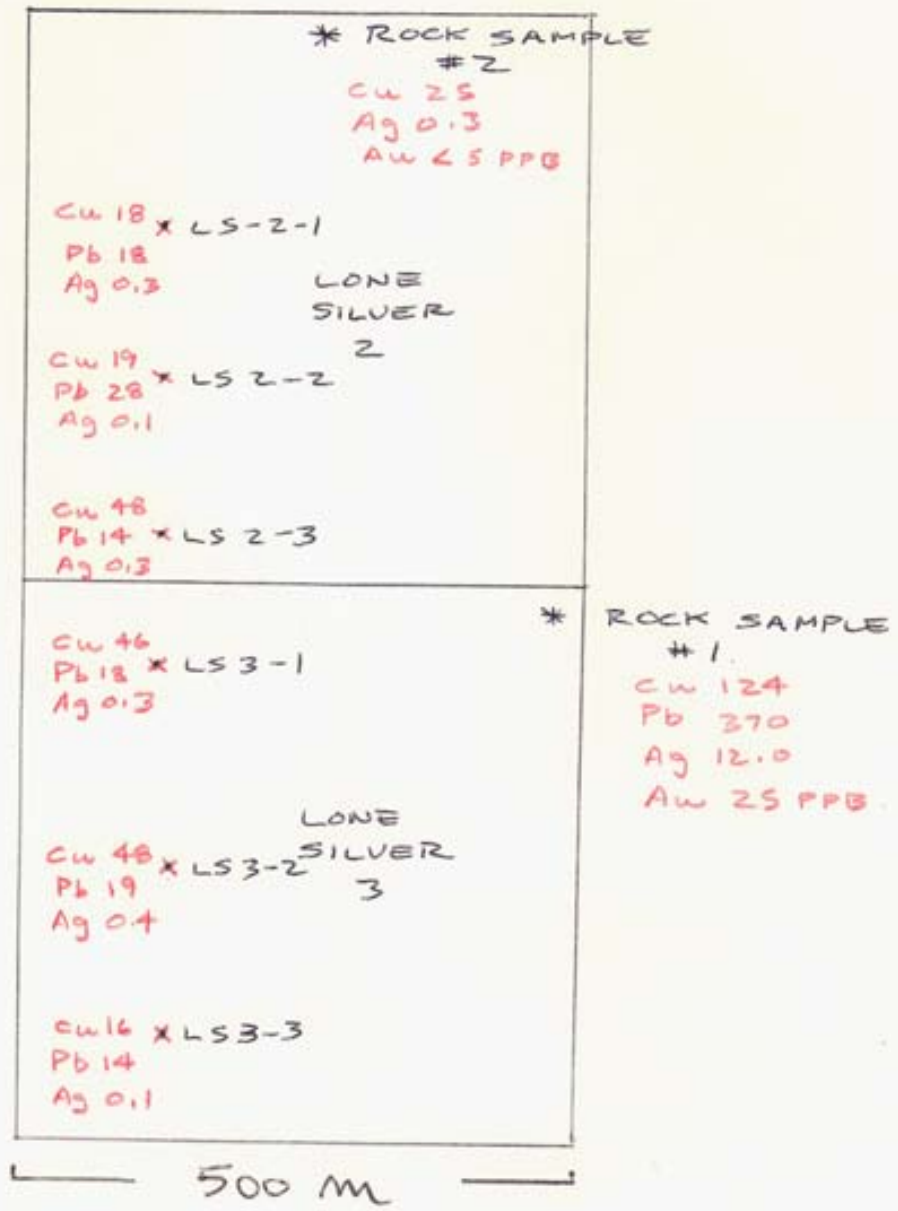

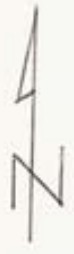

The sample analyses were done by Chemex Labs Ltd., 212 Brooksbank avenue, North Vancouver, B.C., the results of which are enclosed in this report.

All soil samples were taken from the B horizon. Analysis was by perchloric-nitric acid or nitric-aqua-regia digestion and atomic absorption analysis.

STATEMENT OF AUTHOR'S QUALIFICATIONS

I have been prospecting in B.C. for 25 years and have worked for a number of exploration companies including Chapman, Wood & Griswold, Stokes Exploration Management and International Shasta Resources.
