## VICARS MINERAL CLAIMS

### TITLE PAGE

GENERAL	Exploratory core drilling for mineral potential and geological structure
CLAIMS	VICARS (VICARS#1, #2, #3 & #4)
LOCATION	Kamloops Mining District
MAP NO.	92, I 9 E
LOG & LAT	<del>Log 56074 Lat 702.8</del> LAT 50°35' LONG 120° 8' 30"
OWNER	Lloyd E. Mear
OPERATOR	Lloyd E. Mear
AUTHOR	Lloyd E. Mear

## INTRODUCTION

- A. General Location - Kamloops Mining District, 5,000 meters south of Barnhartvale and 4,000 meters north of Scuitto Lake.
- B. Property is tree covered throughout and comprises of a number of steep mountain peaks.
- C. No known mineralized history available on claims.
- D. Current owner - Lloyd E. Mear
- E. No economic evaluation yet determined.
- F. Prospecting over 10% of claim area has produced some surface samples of merit. Infrared photography has indicated this area to be a possible mineralized area. One drill hole, H.Q. diameter has been drilled to 350'. Composite assays failed to indicate commercial grade ore.
- G. All work to date performed on Vicars #3.
- H. Core comprised of granite and altered granite with sections of pyrite. All remaining core (1/2 split) located at 9551 Bridgeport Rd., Richmond, B.C..

### I. AUTHOR'S QUALIFICATIONS

Lloyd E. Mear

Managed underground mining and milling operation south of  
Houston, B.C. 1977 - 1978

Owned and operated placer gold operation in Yukon  
Territories. 1982 - 1985

Owned and operated construction company in U.S.A. and  
Canada 1960 - 1980

## COST STATEMENT

A.	Contract drilling - \$25.00 per ft. X 350 ft. (Includes water hauling, mobilization & demobilization, core boxing, site rehabilitation.)	\$8,750
	Core storage - 7 months	200
	Assay charges	365
	Travel, support staff, etc.	1,750
		<hr/>
		\$10,935
